Common Name

Scientific Name

Brazilian Waterweed	<i>Egeria densa</i>
Curly-Leaved Pondweed	<i>Potamogeton crispus</i>
Eurasian Water-Milfoil	<i>Myriophyllum spicatum</i>
Eurasian and Northern Milfoil hybrid	<i>Myriophyllum spicatum</i> x <i>M. sibiricum</i>
European Frog-Bit	<i>Hydrocharis morsus-ranae</i>
European Lake Sedge	<i>Carex acutiformis</i>
European Water Chestnut	<i>Trapa natans</i>
Fanwort	<i>Cabomba caroliniana</i>
Flowering Rush	<i>Butomus umbellatus</i>
Hydrilla	<i>Hydrilla verticillata</i>
Parrotfeather	<i>Myriophyllum aquaticum</i>
Phragmites also known as European Common Reed	<i>Phragmites australis</i> subsp. <i>australis</i>
Purple Loosestrife	<i>Lythrum salicaria</i>
Rough (Great) Manna Grass	<i>Glyceria maxima</i>
Yellow Iris	<i>Iris pseudacorus</i>
Water Hyacinth	<i>Eichhornia crassipes</i>
Water Lettuce	<i>Pistia stratiotes</i>
Watermoss-Salvinia species	<i>Salvinia molesta</i> , <i>S. auriculata</i> , <i>S. minima</i> , <i>S. natans</i>
Water Soldier	<i>Stratiotes aloides</i>
